

# catering

YES!

People at FAC love a good feed! Whether it's after our services or at a ministry event, we like to enjoy a festive feast or celebration snack. Barbeques, breakfasts, lunches, morning & afternoon teas, suppers... all of these help to season our conversations and flavour our friendships at FAC.

# Sign-Up & Serve 2011

**Please Note:** If you're already serving on a roster/s listed in this form and wish to continue serving in this way there is **NO** need for you to complete a new sign up and serve form. You should have recently received a \*letter explaining that you will continue to be included on the roster/s unless you advise us otherwise. \* Letters not sent to catering and weed & feed helpers.

Each week many people give their time and talent to keep things running smoothly at FAC. They faithfully serve God in different ways across our ministry areas. As our church family grows so does our need for more servant-hearted people to keep our church functioning well. Please consider how you can be a part of keeping FAC looking great, running efficiently and ministering effectively...

## lawn mowing

YES!

First impressions count... the presentation of our site says a lot about who we are. We want to keep our whole site looking fresh and inviting at all times. The lawn mowing occurs weekly, then fortnightly over winter.

Rostered teams usually consist of two people. We have a wide-cut ride-on mower and a self-propelled Honda mower and edge trimmer, or BYO.

(N:B. This does not include the western side & flood plain of church)

## communion

Distribute bread and juice  
Collect empty cups following communion
