

## Who We Are

At FAC we seek to show how the historic Christian message of the bible is relevant to the complexities of modern life and every day living. Our aim is to do this in ways that help Youth, Young Adults, Kids, Parents and Seniors experience lives that are filled with greater purpose and meaning.

We desire to build a real community of caring people who love God and other people and we would love for you to find your unique place with us.

### Service Times 8am

'Celebrate @ 8' is a traditional Prayer Book based service with regular Communion.

### 10am

Family Service with contemporary music and preaching. Kids programmes available from 2-12.

### 6pm

Our 6pm 'Fuse' Service is cross generational with contemporary music and preaching.

# Connecting for life

## Our Mission

"To build a vibrant and passionate community committed to making disciples of Jesus."

# Welcome to Figtree Anglican Church!

FAC is a church that loves people. We want to help people of all ages and stages experience lives filled with greater purpose and meaning through a growing relationship with Jesus and other people.

As a big church it can feel challenging figuring out how you can be part of the community here. Lifegroups are a key way for you to get connected and find a place to grow and belong. These smaller communities are intentionally focussed on doing life and growing in Christian maturity together.

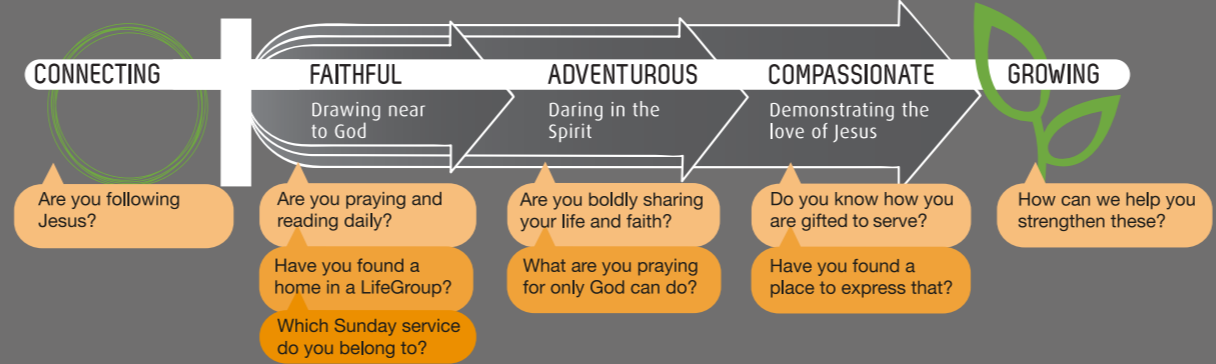

Perhaps you'd like to know more about what goes on at FAC or how you can begin to be connected. Once you've had a read through this brochure you'll find a dedicated team ready to talk with you and help you find out how to commence your faith journey with us. There are also a variety of methods and places to be in touch listed on the back page so you can begin your journey.

I'm thankful that you dropped in and hope you can find a home with us. I look forward to meeting you in person,  
**Ian Barnett** Senior Minister

## Our Vision

*"To be a faithful, adventurous and compassionate church with an expanding influence on communities cities and nations with the hope and love of God."*

## Where are you on the Discipleship Pathway?

Being built into maturity is all about growing in Christ, or in a word, discipleship. Discipleship begins by asking, "Where are you on the journey with Jesus, and how can we help you grow?" At FAC, a great deal of what is meant by discipleship is caught in three words, faithful, adventurous, compassionate. These words not only describe our values, but how we grow.

• **Faithful** is about drawing near to God by His word, prayer, belonging to a congregation, and finding a home in a LifeGroup. • **Adventurous** is about living daring lives in the Spirit, and sharing the gospel and our lives with others. • **Compassionate** is demonstrating the love of Jesus by serving one another in our church and the wider community.

## First Steps

Here are the some of the ways you can be connected to the FAC Community;

- ▶ We'd love to see you at one of our Sunday services. You'll find the best point of connection in our Welcome Lounge or at the information desk.
- ▶ Learn, share and grow in one of our LifeGroups, which run for all ages and stages of life at a variety of times each week.
- ▶ Our regular Connections Lunch is a great opportunity to meet some other people and find out more about FAC.

## More information

for each of these can be found on our webpage, at the information desk or via your Care and Connect Card.
